

Rhino Bulk Unloader for dispensing adhesives and sealants

RTVs greases pastes silicones

20 liter (5 gallon) Bulk Unloader

200 liter (55 gallon) Bulk Unloader

Nordson EFD Rhino® bulk unloaders are designed to dispense high-viscosity, ambient-temperature adhesives and sealants for a variety of manufacturing applications. These durable bulk unloaders provide superior flow properties and ease-of-operation in dispensing high-viscosity adhesive and sealant materials.

Features / Benefits

- Modular design
- Large internal passages to increase pump efficiency
- Fast air motor changeover for uniform material output
- Oil-less air motor
- Flange-mounted packing gland

Packing gland is easily removed without special tools

Works with EFD 736HPA high pressure valve

more info

Optional Accessories

**Some options only available while integrated with EFD Dispense Controller.*

- Container sizes:
 - 20 liter (5-gallon)
 - 286 mm (11.25"), 280 mm, 305 mm pail diameters
 - 55-gallon (200 liter)
 - 584 mm (22.5") drum diameter
- Application-specific follower plate seals
- Low/empty drum indication with light towers
- Automatic changeover – electric or pneumatic
- Automatic depressurization
- Pump runaway
- Casters
- Air regulator
- XD version for abrasive materials

Rhino Bulk Unloader Selection Guide

| Ratio | Air Motor Size | Volumetric Displacement | Maximum Output |
|-------|----------------|-----------------------------|--|
| 48:1 | 10 inch | 8 in ³ /stroke | 4.2 liters/min.* (1.1 gallons/min.) |
| 65:1 | 10 inch | 5.8 in ³ /stroke | 2.8 liters/min.* (.75 gallons/min.) |

**Output dependent on material viscosity, temperature, filters and system configuration.*

***Add 152 mm (6") to height dimension for units with optional casters.*

Patented Wear-Resistant Coating Design Assures High Performance, Long Life

XD Rhino Bulk Unloaders feature patented ScoreGuard® wear-resistant coating that provides superior performance

and toughness over other coatings used in wear applications. Twice as hard as

conventional hard chrome plating, ScoreGuard coating has excellent corrosion resistance and is warranted* to provide maximum life for superior durability and operating performance.

**Two-year warranty*

Standard 20 liter (5 gallon) Unloader
